

OCTOBER 2022

# VESTRY UPDATE

## OCTOBER

Vestry looked at the Confessing Church and the call in Romans 10:14 - 'How can they hear unless someone tells them?'

We looked at:

- What is the church?
- What is its main function?
- What is the primary task of the church?
- What are our priorities?

**We are called to encourage people to know God.**

Some steps we will be looking at include:

- offering luncheons throughout the year to welcome newcomers.
- offer/invite new people to what is happening at Nativity
- Remember that everyone is a welcomer. Encourage people to open their homes to newcomers at Nativity.

## HIGHLIGHTS

Nelson Trust Board has given approval for the sale of Hilton Place. The tenants have been given notice in preparation for the sale of the property.

We are in final negotiations with the construction company that will be undertaking the hall renovation. Once the start dates have been confirmed, we will advise the parish.

Given that the Covid-19 Protection Framework is no longer in place, Vestry discussed appropriate H&S measures moving forward and will ensure Nativity abides by all government requirements.

Vestry encourages all people at Nativity to consider joining a home group. For information on options, contact the office.

Vestry will also continue to follow up on a Family and Youth Worker for Nativity.
