

BUILDING REDEVELOPMENT SURVEY

APRIL 2021

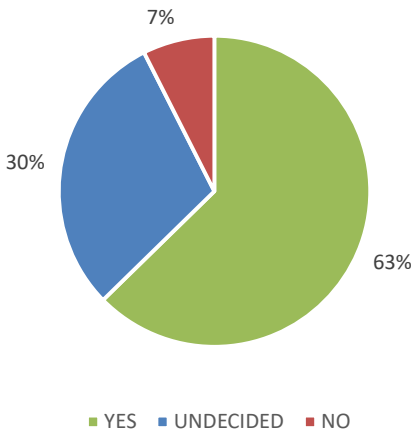

1. Do you believe the proposed design meets the current and potential future MINISTRY needs of the church?

2. Do you think these spaces will create a sense of COMMUNITY and FELLOWSHIP?

3. Will you FINANCIALLY SUPPORT this project?

FEEDBACK

Thank you so much to all who provided feedback in the latest survey. Some of the helpful suggestions included:

- Providing a doorway between the lounge and kitchen
- Leaving a strip of flooring uncarpeted in front of the outdoor sliders and in front of the servery to ensure easy cleaning.
- Ensuring the western outdoor ramp provides access to the back deck as well as the hall
- Fundraising options such as a 'Give-a-Little' page so member of the wider community and ex-parishioners can contribute

The Building Committee provided an in-depth response to all feedback provided during the survey. If you provided feedback and wish to know the outcome, contact Kathy at admin@nativity.org.nz to receive a copy of that report.

We have also received over \$70,000 in pledges since the latest survey went out. It is exciting and encouraging to see so many committed to the future of our church.

NEXT STEPS

Vestry have approved that Stage One be seen through to completion.

- The Building Committee will be engaging contractors to provide preliminary assessments and produce working drawings before putting the job out to tender.
- The Finance Team will be meeting together to discuss strategies for fundraising for each stage of the project.

Expect to hear more from each of these committees over the next few months.

If you have any questions, please do not hesitate to contact us!
