We ask as preparation for conference and as an example of our 2<sup>nd</sup> vow, we offer this document of examination. Could you please read the article by Henri Nouwen:

"From Solitude to Community to Ministry"

<http://www.christianitytoday.com/pastors/1995/spring/51280.html>

We will host a small group session where we share what God is saying to us personally through this reading and I am sure we will be deeply encouraged as we listen corporately to what the Holy Spirit is saying to our communities.
