

father

There was once a man who had two sons.

The father thought about it and decided to give his sons their inheritance.

The Prodigal Son

The son was very sad. Back home, even the hired men were fed well. He decided to go back home and ask his father for a job as a servant.

As the son arrived home his father saw him. Joyously, the father ran out to greet his returning son. He hugged and kissed the boy.

He was very hungry and had no place to live, so he decided to get a job. The only job he could find was feeding pigs.

The father was so happy that his son had returned that he threw a great feast to celebrate!

The youngest son moved far away and very soon spent all of his money.

The son expected his father to be very angry with him but instead the father dressed him in the finest robes.

One day his youngest son asked him for his inheritance money.
